

## Announcement

### 2018 Undergraduate Admission - TCAS Round 1/1

#### International College, King Mongkut's Institute of Technology Ladkrabang

---

The International College, King Mongkut's Institute of Technology Ladkrabang, has called for applications for undergraduate admission in Round 1/1 of the Thai University Central Admission System (TCAS) 2018. This round of admission is open to Thai nationals who satisfy the requirements set out below. Candidate selection in this round is based on academic excellence, as determined from academic records, standardized test scores, academic portfolios, and an interview. If qualified, applicants may also apply for the **International College Undergraduate Scholarship**. Eligibility requirements for the scholarship can be found in Section 3.

#### 1. Programs and expected number of acceptances

Program	Number of acceptances in this round*
Bachelor of Engineering in Software Engineering (International Program)	40
Bachelor of Science in Engineering and Technology Management (International Program)	40

\* The International College may accept a lower or greater number depending on the number of qualified applicants.

#### 2. Applicant qualifications

The applicant is required to meet the requirements specified in section 2.1, 2.2, and 2.3 below.

##### 2.1 Educational background

The applicant must satisfy one of the following requirements:

- Graduated or studying in Mathayom 6.
- Graduated or studying in the final year of 12-Year or 13-Year education in a school in Thailand or abroad.
- Graduated or studying in the final year of a vocational program in a college in Thailand or abroad and obtained (or expected to obtain prior to the start of Academic Year 2018) a qualification equivalent to Mathayom 6 or higher.
- Obtained (or expected to obtain prior to the start of Academic Year 2018) a qualification equivalent to Mathayom 6 as approved by the Ministry of Education of Thailand.

## 2.2 Academic records

The applicant should possess an excellent academic record which, at the minimum, meets the requirements specified in **2.2.1 or 2.2.2**:

- 2.2.1 The applicant's combined grade point average for all courses in **mathematics** as recorded in the applicant's latest academic transcript is no less than 3.0 in 4.0 scale (or equivalent).
- 2.2.2 The applicant has taken at least one of the following standardized tests and obtained a score which meets the minimum requirement specified:

Test	Minimum Score
SAT (Math section) or SAT Subject test (Math Level I or Math Level II)	600
