

**Announcement of TCAS 5 Admission 2019**  
**Double Bachelor's Degree Program (International Program)**  
**Industrial Engineering and Digital Management Systems**  
**Faculty of Engineering**  
**King Mongkut's Institute of Technology Ladkrabang (KMITL)**

---

Faculty of Engineering, King Mongkut's Institute of Technology Ladkrabang (KMITL), invites qualified applicants to apply for admission to a double degree program in Industrial Engineering and Digital Management Systems for Academic Year 2019 (beginning in August 2019). This international degree program is equipped with 3 different tracks; 1) Original degree, 2) Double degree with School of Computer Science, University of Reading (UK), and 3) Double degree with Business Administration Program in Digital Marketing, Sripatum University (SPU).

This round of admission is opened to all applicants with excellent academic backgrounds. Selection of qualified candidates are based on the applicant's academic records, standardized test scores, and English proficiency test results, along with a personal statement, letters of recommendation, on-site interview and other supplementary documents.

**1. Number of Acceptances**

No.	Programs	Persons
1	Industrial Engineering and Digital Management Systems	20

Faculty of Engineering may accept a lower or greater number depending on the total number of qualified applicants.

**2. Qualifications**

**2.1 Educational background**

The applicant must satisfy at least one of the following requirements:

- 1) Graduated or studying in Matthayom 6 or equivalent
