

Announcement of TCAS2 (Quota)
International Bachelor Degree Program
Academic Year 2020
International Academy of Aviation Industry (IAAI)
King Mongkut's Institute of Technology Ladkrabang (KMUTL)

The International Academy of Aviation Industry invites qualified applicants to apply for admission to the following undergraduate programs in the Academic Year 2020 (beginning in August 2020). This round of admission is provided to all applicants with excellent academic backgrounds. Selection criteria of qualified candidates are based on the applicant's academic records, standardized test scores, and English proficiency test results, along with a personal statement, letters of recommendation, past academic-related activities, an on-site interview, and other supplementary documents.

1. Programs and Number of Acceptances

No.	Programs	Persons/round
1	Bachelor of Engineering: Aeronautical Engineering and Commercial Pilot	50
2	Bachelor of Science: Logistics Management	40

The International Academy of Aviation Industry may accept a lower or greater number of candidates depending on the total number of qualified applicants.

2. Qualification criteria:

2.1 Educational background

The applicant must satisfy at least one of the following requirements:

- 1) Graduated from or studying in Matthayom 6 or equivalent.
- 2) Graduated from or studying in the final year of grade 12 or grade 13 at an accredited school or higher-education institution in Thailand or abroad.

The applicant must provide an official final transcript and official high school diploma and or certificates of completion from their school before the start of Academic Year 2020.

The applicant will be notified of his/her eligibility for an on-site interview after the admissions committee reviews the application. The actual location and time of the interview will be announced before the interview date mentioned above.

5. Tuition Fees and Enrollment Confirmation

The paid tuition fee is non-refundable and cannot be reimbursed under any circumstances. The tuition fees for Academic Year 2020 are as follows:

The tuition fees for students in the **Bachelor of Engineering in Aeronautical Engineering and Commercial Pilot - International Program** entering in the Academic Year 2020 are divided into 2 parts per semester. The first is the tuition fee for the Aeronautical Engineering course which is 90,000 THB. (ninety thousand Thai Baht only - Paid to KMITL, details at: www.reg.kmitl.ac.th). The second is the tuition fee for the Commercial Pilot course which is 350,000 THB. (three hundred fifty thousand Thai Baht only - Paid to Asia Aviation Academy at Siam Commercial Bank A/C No. 088-2-59074-2, A/C Name: Asia Aviation and Technology Co., Ltd) on specified date posted at: aviation.kmitl.ac.th.

The tuition fees for students in **Bachelor of Science in Logistics Management** is 90,000 THB (ninety thousand Thai Baht only) per semester (excluding the cost of living on campus, cost of overseas training, and cost of textbooks). The fee must be paid to KMITL, posted at www.reg.kmitl.ac.th.

6. Confirmation of Admission Offer through TCAS Clearing House and Confirmation of Enrollment

Accepted applicants must follow the procedure to confirm their admission offer through the TCAS63 Clearing House as required by the Council of University Presidents of Thailand. After confirming their admission offer, the applicants must confirm their enrollment at KMITL and pay the tuition fee according to the procedure announced on the website: www.reg.kmitl.ac.th. The tuition fee paid is non-refundable under any circumstances. The applicants who have confirmed their enrollment at KMITL, and have paid the tuition fee can enroll and register for courses in Semester 1/2020 without having to pay the tuition fee for Semester 1/2020 again.

7. Disqualification

7.1 The applicants who previously confirmed the acceptance of an offer on the TCAS63 Clearing House will not be allowed to confirm another admission offer on the TCAS63 Clearing House unless their previous confirmation has been completely withdrawn within the specified period.

7.2 The accepted applicants who do not confirm the admission offer through the TCAS63 Clearing House or do not confirm their enrollment at KMITL and pay of the tuition fee according to the specified procedure and within the specified period will be disqualified from admission into the program.

7.3 The applicants who are unable to provide proof of Matthayom 6 graduation or qualification that the admission committee considers equivalent to Matthayom 6 before Semester 1/2020 begins, the applicant will be disqualified from admission into the program.

8. Contact Information

For further information or inquiries regarding admission and scholarship applications, please contact the IAAI office by phone at 065-558-3112 or by email at iaai@kmitl.ac.th or logistics@kmitl.ac.th
