

Letter of Consent for Use and Disclosure of Information

Consent to the use of information

I hereby agree and consent to King Mongkut's Institute of Technology Ladkrabang (hereinafter referred to as "The Institute") and/or the person and/or the juristic person assigned to record and use my data (such as information that I provide to The Institute, information arising from the use of The Institute's information system and other information) in conducting transactions and/or using my services to provide services to me and/or for other benefits that I have consented to The Institute, including data analysis, proposals for the use and/or improvement of other processes or services. The Institute may use my information to comply with the rules and regulations of The Institute, even if I no longer carry student status.

Consent to the disclosure of information

I have the right to the privacy of my data and The Institute will not disclose my information to other people and/or juristic persons, except in the following cases:

- Allow disclosure of information to personnel who have been authorized by The Institute, including personnel in the Office of the President, the Academic Section, and other departments within The Institute. However, if the personnel is not permitted as mentioned above, but it is necessary to disclose my personal information, The Institute shall make a written request for consent from me on a case-by-case basis.
- Allow disclosure of information so that I can conduct transactions and/or use services that I desire. However, such disclosure shall not be used for profit.
- The disclosure of information to the bank that has signed Memorandum of Understanding (MOU) with The Institute in order to open a bank account and to issue a student ID card linked to that bank account.
- Disclosing such information is in compliance with the law for investigation or legal action.

- The disclosure of such information is done under the law and order of government agencies and/or the institution's regulatory body.

Allow disclosure of information to individuals and/or legal entities with which The Institute has given my consent following the above objectives will be for my benefit and not for profit. If it is necessary to disclose my information to a person and/or juristic person not mentioned above, The Institute shall request by written consent from me on a case by case basis.
