

Announcement of Direct Admission

B.Eng. in Aeronautical Engineering and Commercial Pilot, Academic Year 2016

King Mongkut's Institute of Technology Ladkrabang

King Mongkut's Institute of Technology Ladkrabang invites qualified applicants to apply for admission to the Bachelor of Engineering Program in Aeronautical Engineering and Commercial Pilot (English Program), for International Academy of Aviation Industry (IAAI) in Academic Year 2016 (starting in August 2016). This round of direct admission is open to all students, both Thais and foreigners, who have excellent academic records and satisfy the requirements given below. Selection of the qualified candidates for this round of direct admission is based on the applicants' academic records, standardized test scores, entrance examination and an interview score in Engineering, aptitude test and medical aviation exam.

1. Applicant qualifications

The applicant must satisfy one of the following requirements:

- a) Graduated Matthayom 6.
- b) Graduated a 12-Year or 13-Year education in an international school in Thailand or in a high school/secondary school abroad.
- c) Graduated or studying in the final year of a vocational program in a college in Thailand or abroad with a qualification equivalent to Matthayom 6 or higher and in which the main language of instruction is English.
- d) Obtained (or expect to obtain before the start of Academic Year 2016) a qualification equivalent to Matthayom 6 as approved by the Ministry of Education of Thailand.
