

Announcement of Quota Admission (Round 4)
Bachelor of Science in Engineering and Technology Management
Academic Year 2016
International College, King Mongkut's Institute of Technology Ladkrabang

The International College, King Mongkut's Institute of Technology Ladkrabang, invites qualified applicants to apply for admission to the **Bachelor of Science Program in Engineering and Technology Management (International Program)** in Academic Year 2016 (starting in August 2016). This round of admission is open to all students who have excellent academic records and satisfy the requirements set out in Section 1 below. Selection of the qualified candidates for this round of admission is based on the applicant's academic records, standardized test scores, and an interview.

1. Applicant qualifications

The applicant is required to meet the **requirements specified in section 1.1, 1.2, and 1.3 below.**

1.1 Educational background

The applicant must satisfy one of the following requirements:

- a) Graduated from a high school/secondary school in Thailand or abroad and obtained (or expected to obtain prior to the start of Academic Year 2016) a qualification equivalent to Matthayom 6.
- b) Graduated from a vocational program in a college in Thailand or abroad and obtained (or expected to obtain prior to the start of Academic Year 2016) a qualification equivalent to Matthayom 6 or higher.

1.2 Academic records

The applicant should possess good skills of mathematics. At the minimum, the applicant is required to satisfy the requirements specified in **1.2.1 or 1.2.2 or 1.2.3**:

- 1.2.1 The applicant's combined grade point average for all courses in **mathematics** as recorded in the applicant's latest academic transcript is no less than 3.0 in 4.0 scale (or equivalent).
- 1.2.2 The applicant has taken at least one of the following standardized tests and obtained a score which meets the minimum requirement specified:
 - SAT (Math section) or SAT Subject test (Math Level I or Math Level II) with a score of 600 or above
 - ACT (Math section) with a score of 24 or above
 - AP test in a subject in mathematics with a score of 4 or above

- GCE A-Level or GCE AS-Level in a subject in mathematics with grade B or above
- GCE O-Level or GCSE or IGCSE in a subject in mathematics with grade A or above
- IB-Diploma with a score of at least 5 in a subject in mathematics
- NCEA (Level 2 or Level 3) in a subject in mathematics with grade "Merit (M)" or above
- China National Higher Education Entrance Examination (Gaokao) score of the Mathematics subject with a score of 75 (out of 150) or above
- CU-AAT (Math section) with a score of 480 or above
- PAT 1 (mathematics) or PAT 3 (engineering) with a score of 90 or above

1.2.3 Pass the qualifying examination on mathematics administered by the International College. The exam covers the topics tested in SAT Mathematics Level 1 subject test, which include: number and operations, algebra and functions, geometry and measurement (plane Euclidean geometry, coordinate, conic section, and trigonometry), data analysis, statistics and probability.

1.3 English language requirements

The applicant should possess good skills of English which, at the minimum, meets the requirements specified in **1.3.1 or 1.3.2 or 1.3.3**:

1.3.1 The applicant has obtained one of the following test scores and meets the minimum requirement specified:

- IELTS score of at least 5.5
- TOEFL (iBT) score of at least 61
- TOEFL (ITP or paper-based test) score of at least 500
- China National Higher Education Entrance Examination (Gaokao) score of the English subject with a score of 75 (out of 150) or above
- CU-TEP score of at least 65
- TU-GET score of at least 500
- GAT (Part 2 - English) score of at least 100

1.3.2 Pass the qualifying examination on English language administered by the International College. The exam evaluates the applicant's academic reading and writing skills of English.

1.3.3 The applicant has been studying for two years or longer in a school or a college outside Thailand in which the primary language of instruction is English.

2. Number of acceptances

The International College expects to accept 20 applicants from this round of admission. The International College may accept a lower or greater number depending on the total number of qualified applicants.

3. Admission schedule

Activity	Date

4. Application submission

The application can be made free-of-charge. Please follow the steps below to prepare and submit an application.

- 1) Complete the on-line application form at: <http://www.ic.kmitl.ac.th/apply>
- 2) Prepare the supporting documents listed below. Please include your name and your Application ID number on each document submitted.
 - a) A photocopy of the applicant's national identification card or passport
 - b) A photocopy of the applicant's name-change certificate (if any)
 - c) A latest academic transcript

If the applicant has already graduated, the final academic transcript should be submitted. Otherwise, the applicant should submit the latest transcript available at the time the application is made. The applicant may send a photocopy of his/her academic transcript instead of an original one and provide an original version on the day of the interview.
 - d) Standardized-test score reports (if any)

A copy of the score report for each applicable standardized test should be submitted. However, in case the score report is not available at the time the application is made, the applicant must indicate in his/her application form which test the applicant is

waiting for the result, and then send a copy of the score report to the International College once the test result becomes available.

- e) An academic portfolio (if any)
An academic portfolio and any additional supporting document may be included with the application. Alternatively, the applicant may bring those documents to the interview and present them to the examiners.

3) Submit the supporting documents by one of the following methods:

- a) Scan the documents and upload the files onto the online application system. This must be done after creating a new online application but before submitting the application.
b) By registered mail or in person at

**International College
King Mongkut's Institute of Technology Ladkrabang
55th Anniversary Building
1 Soi Chalongkrung 1, Ladkrabang
Bangkok, 10520
THAILAND**

- c) By e-mail to ic@kmitl.ac.th
d) By fax to **+66-2-329-8262**

5. Tuition fee

The tuition fee for the students entering the program in Academic Year 2016 is 75,000 THB per semester. This fee does not cover the cost of optional overseas training and the cost of textbooks.

6. Contact

For all enquiries regarding the admission and applications, please contact the International College by phone at +66-2-329-8260 or +66-95-873-7394 or by email at ic@kmitl.ac.th. The applicant is advised to follow the announcements regarding the admission on the website www.ic.kmitl.ac.th.

Announced on 13 / June / 2016
