Academic Year 2026

International Academy of Aviation Industry

King Mongkut's Institute of Technology Ladkrabang

The International Academy of Aviation Industry, King Mongkut's Institute of Technology Ladkrabang, invites qualified applicants to apply for admission to the following undergraduate programs for the Academic Year 2026 (beginning in July 2026). This round of admission is open to all applicants with excellent academic backgrounds. The selection criteria for qualified candidates will be based on the applicant's academic records, standardized test scores, English proficiency test results, a personal statement, letters of recommendation, past academic-related activities, an online interview, and other supplementary documents.

1. Programs and Number of Acceptances

No.	Programs	Persons/round
1.	Bachelor of Engineering: Aeronautical Engineering and Commercial Pilot (International Program)	30
2.	Bachelor of Engineering: Aerospace Engineering (International Program)	30
3.	Bachelor of Science: Logistics Management (International Program)	20

The International Academy of Aviation Industry may accept a lower or greater number of candidates depending on the total number of qualified applicants.

2. Application Qualifications

The applicants must satisfy at least one of the following education background requirements :

2.1. Graduated from or studying in Matthayom 6 or equivalent in the Thai education system.
